Now that we are mostly all back at work and school our life will always be different as we have adapted to remote learning and working from home.

Tree Planting 18 July 2020

It's tree planting time again. I know it's winter but it's the best time to plant trees to help conserve our lands and reduce our carbon footprint.

Meet at Papawai Farm on Saturday 18 July at 10.00am sharp.

Bring a spade and your gumboots. Kai will be provided following the planting. It's a fun 2 hours and a chance to catch up with whānau and friends.

Many hands make light work

Let Colleen in the office know if you can attend the tree Planting

Trustees

Two new Trustees have joined the Trusts Board and we welcome Charmaine Kawana and Paul Southey both of whom have taken up roles in the Property and Finance Risk and Audit Committees.

Sadly though Rachael Hawea-Kete has had to resign from the Board due to other commitments. Rachel was appointed by the Church in 2017. We thank her for her work with the Board, her expertise and smiley face will be missed.
